

ABOUT US

Celebrating our 73rd year of operation in 2025, First Step House assists men with severe alcohol problems and prepares them for transition back into society. Our operating staff is comprised solely of volunteers. The only source of operating revenue is private contributions, no governmental funding of any nature is accepted.

THE ANNUAL TOURNEY

This tournament helps defray the everyday operation costs needed to keep our three facilities serving those in need. The tournament field is open to a maximum of 144 golfers. We are anticipating a full field and encourage early registration.
